Features

- Natural Aggregate Paving
- Rectangular units with scraper nibs
- Suitable for use on patios, paths, domestic driveways, commercial pedestrian and heavily trafficked areas.
- Available in 4 colours
- Available in 4 types of finishes – Textured, Ground and Standard Smooth
- Supplied in 120mm depth only
- 3mm washed grit for jointing

Benefits

- Extremely robust due to the increased cement content in the surface
- The textured paving keeps the declared slip resistance of extremely low throughout its life cycle
- Cost reduction on supply and installation when compared to natural Granite and Porcelain

Sizing

400x250
