Autumn Brown

3D Profile

Features

- Durable concrete flag paving system
- Available in a textured, ground or standard surface finish.
- Suitable for use on patios, paths, domestic driveways, commercial, pedestrian and trafficked areas.
- Flexible laying options: stack bond or stretcher bond depending on unit size
- Offered in four standard colours

Benefits

- Outstanding durability thanks to high cement-content surface layer
- Maintains a consistently low slip potential throughout its entire lifecycle
- More cost-effective to supply and install than natural granite or porcelain alternatives

Sizing

400 x 250
