Colour Profile

Silver Granite

Black Granite

Features

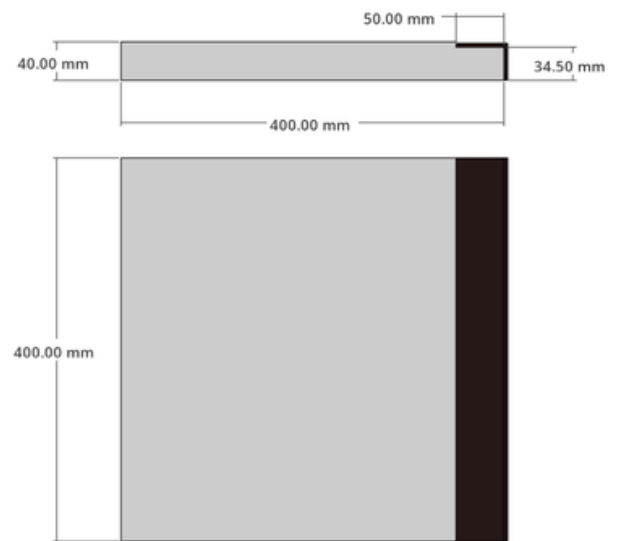

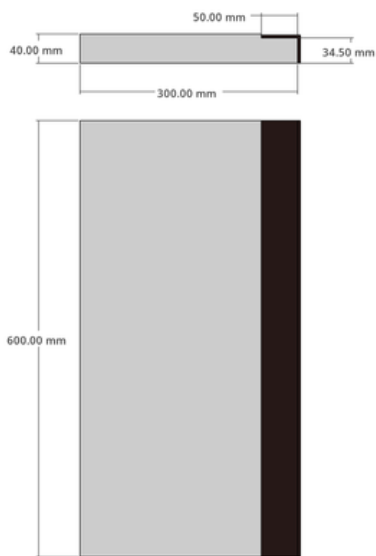

- Durable concrete paving flag suitable for high-traffic areas
- Lightly textured surface finishing for enhanced slip resistance and aesthetic appeal
- Optional DAA-approved tactile delineation strip available in black or white
- Edge finishes designed to seamlessly match the tread surface for a cohesive look

Benefits

- Exceptional durability thanks to an increased cement-content surface layer
- Maintains a consistently low slip potential throughout its lifecycle—ideal for safety
- More cost-effective to supply and install than natural granite or porcelain alternatives
