Rustic (Antiqued)

3D Profile

Features

- High quality concrete Block Paving
- Available with a contemporary straight edge
 (Inish) or rustic tumbled finish to give the effect of a time worn cobble (Inish Aged)
- Can be laid in a herringbone, stretcher bond or basket weave pattern depending on design intent and traffic requirements
- Suitable for use on patios, paths, domestic driveways, commercial paths and for trafficked areas
- Available in 3 standard colours for 60mm and 6 standard colours for 80mm blocks

Benefits

- Exceptional durability provided by a premium granite surface
- Maintains certified slip resistance throughout it's lifecycle- unlike natural granite or porcelain
- More cost- effective to supply and install than natural granite or porcelain alternatives
- Optional factory- applied surface sealant available upon request for enhanced protection and reduced maintenance
